PROFESSIONAL SUMMARY

Emerging cybersecurity professional with over 5 years of experience in IT support, system administration, and secure digital operations within government and financial sectors. Demonstrates strong technical capability in identifying system vulnerabilities, monitoring infrastructure, and implementing security best practices.

CORE COMPETENCIES

- **Cyber-security Fundamentals & Threat Landscape Awareness**
- **Network Security (TCP/IP, DNS, DHCP, VPN)**
- **Vulnerability Assessment & Risk Mitigation**
- **Security Monitoring & Log Analysis**
- **SIEM Tools (Wazuh / Splunk – foundational)**
- **Linux & Windows System Hardening**
- **Identity & Access Management (IAM)**
- **Python (Security Automation – foundational)**
- **Technical Documentation & Reporting**
- **Regulatory Awareness & Compliance Support**

PROFESSIONAL EXPERIENCE

Lotus Bank Limited | Public Sector Banking Officer
Jan 2025 – August 2025

- Support internal platforms and banking systems, ensuring user access accuracy and system reliability.
- Serve as primary liaison between government agencies and internal banking department.

National Identity Management Commission (NIMC)
IT Support Officer (Ad-Hoc) | Customer Service Representative | Data Entry Officer
December 2020 – January 2025

Provided comprehensive technical support for 300+ users across multiple locations

- Maintained 98% system uptime for critical infrastructure including fingerprint scanners and NIN database
- Diagnosed and resolved 50+ hardware/software issues, improving overall system reliability

Lampada Christy Academy | ICT/Data Processing Educator
September 2023 – February 2024

- Delivered hands-on training in computer operations, data processing, and basic IT systems.
- Provided technical support for school administration systems

Zerocast Global Ventures | Service Technician
November 2019 – December 2020

- Performed weekly preventive maintenance on 40+ industrial printers (Honeywell, Golden Penny Flourmill, Flour Mills of Nigeria)
- Diagnosed and repaired mechanical and software issues, reducing equipment downtime by 45%
- Improved printer efficiency by 30% through firmware updates and calibration.

EDUCATION

Higher National Diploma (HND), Computer Engineering Technology
Lagos State Polytechnic | 2016 – 2019

National Diploma (ND), Computer Engineering Technology
Lagos State Polytechnic | 2013 – 2016

BASIC AND PROFESSIONAL CERTIFICATIONS

- Certified In Cybersecurity CC | **ISC2**
- Google Cybersecurity Certification | **Coursera**
- Cybersecurity | **Forward Edge Cybersecurity Bootcamp**
- Cybersecurity | **TSAcademy**
- Google IT Support Professional Certificate | **Coursera**
- UI/UX Design Certification | **AQSkill**
- Python Programming Certification | **WAVE Academy**
- SQL, Excel, Power BI Certification | **SkillUp**
- Tech Support & Virtual Assistance Certification | **Digital Witch**
- Computer Engineering Certification | **Mikrotik Computer Academy**
- Front-End Development **| HNG**
